RE: Request for Board Approval, Amount and Form of Replacement Reclamation Surety, Continental Lime, Incorporated, Cricket Mountain Quarry, M/027/006, Millard County, Utah

The Division seeks Board approvals of the amount and form of replacement reclamation surety provided by Continental Lime, Incorporated for the Cricket Mountain Quarry, located in Millard County, Utah. The form of surety is a rider to the existing surety bond, issued by Firemen's Fund Insurance Company for the amount of \$1,292,400.

This project is an expansion to the existing Cricket Mountain Quarry. Continental Lime is expanding the current operation by 288.7 acres bringing the total disturbance to 457.7 acres. This proposed expansion will create three new quarries, the BB Dolomite, the Flat Iron and the North Lobe Quarry. The Division currently holds a \$330,400 surety bond. Continental Lime has increased this bond amount to \$1,292,400 via a rider which now covers the 457.7 acres with this most recent expansion.
